

## **Regional District Programs**

**Regional District North Okanagan (RDNO)** – does not offer a chipping program.

**Regional District of Central Okanagan** – two chipping programs available (more information and registration at

<https://www.regionaldistrict.com/your-services/air-quality-program/agricultural-waste.aspx>)

1. Free Agricultural Chipping Program – program is currently full for 2020, accepting applications for 2021
2. Mow/Chip/Rent it Rebate – small volumes of wood (Small volume means less than **4 piles** size 3m width x3m large x2m). Rebate is 80% to the maximum of \$500. More information and application at the website above. 40 rebates still available.

**Regional District of Okanagan Similkameen** – chipping program still available (more information and registration at <https://www.rdos.bc.ca/public-works/air-quality/what-we-do-3/>). This funding is still available and interested people should contact Cameron Baughen, RDOS Solid Waste Management Coordinator at [cbaughen@rdos.bc.ca](mailto:cbaughen@rdos.bc.ca) or 250-490-4203. Grower is responsible for a portion of the fee payable to the RDOS.
